

# AUTHORIZATION TO OBTAIN INFORMATION

## Motor Vehicle Record Report Authorization

Access to DMV records is highly restricted. If you knowingly obtain or use personal information from a motor vehicle record in violation of state statute, you may be subject to criminal prosecution or civil action.

Under Kansas law, only certain requestors qualify to receive personal information from DMV records and these requestors can only use the information for specific purposes outlined in state privacy laws. Information will not be released unless the individual authorizes the personal information to be released to our insured.

By signing and providing the information below, I authorize Eck Agency, Inc. and my Employer or Potential Employer, \_\_\_\_\_ to obtain my Motor Vehicle Record. I understand the information obtained by use of this authorization will be used to determine eligibility for insurance. Any information obtained will not be released to any person or organization except to the above stated companies or individual and reinsuring companies.

I agree that a photographic copy of this Authorization shall be as valid as the original.  
I agree that this Authorization shall be valid for three years from the date shown below.  
I understand that I have a right to receive a copy of this Authorization.

*(Please print name CLEARLY) Please write legibly*

\*Some DMV's require your Social Security Number to run the motor vehicle record. If you are not comfortable providing this information and choose to leave it blank, your agent will let you know if it is required by the State you are licensed in to proceed.

\*\*Due to the Title V of the Gramm-Leach-Bliley Act ("GLBA") and state regulations implementing GLBA prohibits us (Eck Agency, Inc.) from sharing private and personal information about the above-mentioned individual. Should you have any questions about to above individual's motor vehicle report, they can have a copy of their MVR ordered from the local Department of Motor Vehicles and share it with you in person.
